About cherry

- cherry launched in 2005 to provide an area of the web where financial services workers, especially intermediaries, could communicate about industry issues and gain access to industry news, press releases, events and products etc.
- The popular online forums are where numerous topics, including 'difficult to place cases', 'lenders and providers', 'regulation', 'the pros and cons of networks', 'pensions', 'general insurance' and lots more are discussed.
- To date, members have added circa 32,000 forum topics and circa 206,000 comments, meaning there is a wealth of knowledge available to both experienced and new industry members.
- The audience and chat continues to grow, with members adding an average of around 200 new topics and 2,000 comments EVERY MONTH.
- EACH MONTH, visits to the site average at around 16,500, with each visitor spending, on average, over 7 minutes on the site and between them viewing over 100,000 pages (view live stats [here](#))

May Statistics

- 52 new adviser joiners
- 8 new provider joiners
- 263 email 'opt-ins'
- 193 new adviser forum topics added
- 1,827 adviser forum posts
- 86,947 emails received by advisers
- 3,542 unique visitors to the site
- 16,022 total visits
- 92,861 page views
